

Course Plan for Environmental Engineering Certificate

Applicant Name: _____

Major: _____

Advisor: _____

Date of Graduation (Anticipated): _____

Required Courses	Semester Completed <i>(or anticipated completion)</i>	Grade <i>(if completed)</i>
Foundation Course: Course # and Name: Instructor <i>(if completed)</i> :		
Biology Course: Course # and Name: Instructor <i>(if completed)</i> :		
Chemistry Course: Course # and Name: Instructor <i>(if completed)</i> :		
Focus Area Course: Course # and Name: Instructor <i>(if completed)</i> :		

Per university requirements, only 9 credits of the required 12 credits for the certificate are allowed used towards the student's engineering degree. Please indicate which course (3 cr) listed in the course plan you will NOT be using towards your engineering degree.

Course

Note: Course plan can be revised with approval of the advisor and the certificate director. Revisions must be re-submitted online through the Environmental Engineering Certificate Application portal.

I confirm that I met with the above-named student to discuss their course plan for the environmental engineering certificate. The courses listed above reflect our discussions. I also confirm that the student is in good academic standing in the UK College of Engineering.
